## COUNTY "PRETTY WELL PREPARED" FOR EMERGENCY

Adams County's role, in the event of enemy bombing, will most likely be that of lending assistance to nearby cities and providing for care of evacuated persons. Burgess Weaver, director of Civil Defense for the county, told the auxiliary of the Albert J. Lentz post of the American Legion at its meeting Monday evening in its post-home on Baltimore St.

"It is not expected" by Civil Defense officials that Gettysburg or Adams County would be "pinpointed" by enemy bombs, he said, but added that there was always the possibility of enemy bombers missing their targets and some bombing occurring here.

"Such areas as the District of Columbia, the Delaware Valley area and Pittsburgh are expected to be enemy targets in event of war, and if they are, they will need our help and need it badly," Weaver said.

**Could Cause Havoc Here**  
Many of the arrangements of Civil Defense are based on the premise that the H-bomb would be used only on larger targets, such as Pittsburgh, New York, Baltimore, possibly Washington, etc., Weaver said. Because of the expense and danger involved from too many H-bombs and A-bombs, "it is expected that in all likelihood more conventional bombs would be used on such cities as York."

An H-bomb on Pittsburgh would probably cause the greatest danger to the Adams County area from "fall-out," Weaver said. He added, however, that "fall out is spotty, and basements can give up to 90 per cent protection. In addition we have our mountains just west of us that help cause precipitation before clouds cross the mountains, which should give us even greater protection. An H-bomb dropped on Washington or Baltimore would cause widespread havoc here if weather and wind conditions were right, or 'wrong' from our viewpoint."

"There is no protective clothing to avoid radioactivity and it might mean that our only solution would be to head for the cellars and stay there for a time."

**'We're Pretty Well Prepared'**  
"It would appear that in most likelihood our duty in case of war would be to help others and the county is pretty well set up for that type of activity. We have well organized fire departments, an auxiliary police force, welfare units, a registration unit for evacuees, the Red Cross and medical units and all are pretty well trained to meet (Continued On Page 2)

## GIRL SCOUTS PLAN DISPLAY FOR NEXT WEEK

Adams County's Girl Scouts Monday will place displays in numerous windows of business establishments throughout the county as part of their observance of Girl Scout Week.

Judging of the windows will take place Wednesday, March 9, the county Girl Scout office announced today, and troops other than those in Gettysburg are asked to notify the county office of the location of their window displays prior to Wednesday.

The judges, all members of the Adams County Arts and Crafts Guild, include the president of that organization, Ernest Krape, and Mrs. John B. Zinn and Mrs. Mark K. Eckert.

For the contest the county will be divided into three sections, with a first prize of \$5 and a second of \$2.50 given in each district.

**Assign 3 Districts**  
Scout officials said Gettysburg will comprise District One, Littlestown and Fairfield, District Two and Arendtsville, Bendersville, Biglerville, East Berlin, New Oxford, and York Springs, District Three.

Scoring will be based on: Originality, 25 points; neatness, 15 points; effort, 25 points; appropriateness, 20 points and general appearance, 15 points.

Locations have been assigned the various troops in Gettysburg. They will place their displays Monday and remove them from the store windows Friday. The locations include: Brownie Troops, 35, Philip Bikle Insurance; 36, Gettysburg Times; 44, Dougherty and Hartley; 22, Welkert Barber Shop; 35, McDonald Co.; Intermediate troops, 21, Moose Lodge; 3, Weishaar Brothers; 7, Ramer Insurance Agency; 4, Western Union; 9, Baker Radio and Television service; Senior troops, 10, Varsity Barber Shop and 37, Schmitt's Decorating.

## Income Tax Facts Tonight

As a public service WGET will present this evening a special program covering the new rules on income tax returns. The program will be presented at 8 p.m.

Paul Baird, assistant professor of economics at Gettysburg College; Gordon Webster, accountant for the Gettysburg Furniture Company, and John Leeti, accountant for Knouse Foods Co-operative, will participate in the program which is made available by the York Chapter of the National Association of Cost Accountants.

## ZONE MEETING BRINGS LIONS HERE MONDAY

More than 160 Lions from Upper Adams, York Springs, Fairfield and Gettysburg clubs gathered Monday evening at the St. James Lutheran social rooms for a regional meeting with District Governor Leon Wagner of Newville, as the speaker.

Wagner, giving a report on Lions clubs in District 14C, said six new clubs have been formed and the York Springs club is currently leading this zone in the district point contest. He announced that John L. Suckley, Charlotte, N. C., second international vice president, will speak in North York April 27 at a district meeting.

Elmer H. Schriver, president of the Gettysburg Club, presided during the early part of the program and then turned the meeting over to Deputy District Governor J. B. Collins, Gettysburg.

**Special Music, Special Meetings**  
He introduced these presidents and secretaries of the participating clubs: York Springs, Preston Zerbe and Melvin Prosser; Upper Adams, Donald Horst and the Rev. Nevin R. Franz; Fairfield, Robert Reindollar and Edgar Glenn, and Gettysburg, Elmer Schriver and Ralph Barley Zone Chairman West. (Continued On Page 3)

## WEATHER FOR FEBRUARY WAS "JUST NORMAL"

March arrived this morning, certainly not as a lion, and if it was as a lamb the little fellow must have had trouble getting through the fog. The fog was thick, the temperature mild and more than a tenth of an inch of rain fell in the early hours this morning.

February weather in Gettysburg was so "normal" that it was unusual in that respect.

The average temperature for the month was six-hundredths of a degree above normal and the total rain and snowfall was five-hundredths of an inch above what has been found to be normal for February in the last half century here.

**6 Very Cold, 6 Very Warm**  
The range of temperatures stretched from the high of 58 degrees on February 10 to the low of one above zero the morning of February 3. There were six days when the mercury stayed below the freezing mark for the entire 24-hour period and an equal number of days when it failed to drop to 32 degrees.

The average daily high reading was 40.8 degrees and the average daily low was 22.43 degrees, so that the month's average reading came to 31.66 degrees. Normal is 31.6 degrees.

There were measurable amounts of rain or snow on 11 days last month and the precipitation totaled 2.63 inches, including 8 1/2 inches of snow which fell in five (Continued On Page 2)

## Tornado Kills 1, Injures 6, Damages Five Homes In Ohio

YOUNGSTOWN, Ohio (AP)—A tornado hit the city's East Side early this morning, killing a 43-year-old housewife, injuring six other persons and sweeping five basements—less homes off their slab foundations.

Three other homes were badly damaged and scores of sleeping residents escaped injury. Damage is expected to exceed \$100,000.

The dead woman, Mrs. Mary Fallott, was found in the driveway of her wrecked home. Her husband, Andrew, was hospitalized with cuts on the shoulder. He said he heard a roar, covered himself and his wife with a blanket and the next moment was out in the pelting rain in the yard.

Among the injured was 2 1/2 year old Billy Conklin, whose father, Kenneth, 37, was blown out into the yard. Conklin clawed his way back into the wreckage and found

## AAUW TO HEAR TALK ON GREECE BY DR. E. G. HOLT

Plans for a general meeting March 16, at which Dr. Elizabeth Gilmore Holt will be the speaker, were outlined Monday evening at a meeting of the executive committee of the local AAUW at the home of Mrs. Harold Dunkelberger, E. Lincoln Ave.

Dr. Holt, a member of the executive committee of the National American Association of University Women, from Washington, D. C., will speak on "Greece, Pivot of the Balkans." The session will be held at the SCA auditorium on the Gettysburg College campus at 8:30 p.m. March 16 and will be preceded by a short business meeting at 8 p.m.

Mrs. Edwin Longenecker, chairman of the Fellowship committee, reported that four additional "opportunity sales" had been scheduled for the Hower Printing Shop room, rear of E. Middle St. The sale dates are March 19, April 9, May 21 and June 18 and a request was made for additional articles for the sales. Money raised through the sales goes toward the Fellowship Fund of the organization.

**Gives School Figures**  
The membership chairman, Mrs. Richard Brown, reported that the organization now has 120 members and nine associate members.

Mrs. R. T. Mara, head of the arts study group, said her committee is planning a special program in connection with the arts department of Gettysburg College.

Mrs. J. K. Heret, head of the education committee, presented to the group a study outline for public school taxation and budgeting covering the state and nation and listing costs per pupil. The report showed Adams County costs per pupil as being relatively low, with the county standing 22nd in the state in cost per pupil for instruction.

**To Study Legislation**  
Mrs. Forrest Craver, chairman of the legislation and status of women committee, said her group and other committees will hold a meeting to study legislation March 10 at 1:30 p.m. at the YWCA.

Mrs. Robert Fortenbaugh reported that "much favorable comment" had been received from the recent month-long series of radio programs presented over WGET by the AAUW. Mrs. Donald P. McPherson, the president, presided at the meeting. The secretary and treasurer's reports were presented by Mrs. William Darragh and Mrs. P. J. McGlynn.

## Call CD Meeting In Mifflin March 10

A meeting of Civil Defense officials, at the county level, will be held Thursday, March 10, at 10 a.m. in the Mifflin County Court House. It has been called by Dr. Richard Gerstl, state director, to "discuss problems and plans related to radiological defense and other important matters." The meeting will start promptly and will close at approximately 3 p.m.

William G. Weaver in announcing the meeting for local CD officials said "recent discoveries about the widespread fall-out of the particles carried through the air after an H-bomb explosion has put a new aspect on our jobs in CD. It is to instruct us as to our added problems that this meeting is called."

A son was also born at the Hanover Hospital Monday to Mr. and Mrs. Faber C. Overbaugh, McSherrystown.

## Miss Martha Heim Wins Scholarship

Miss Martha L. Heim, daughter of Dr. and Mrs. Ralph D. Heim, Seminary Ridge, has been awarded a \$100 scholarship at Pennsylvania State University, where she is a student. Her award is designed as "The 1922 Memorial Scholarship."

Miss Heim is a junior student in journalism. The scholarships are awarded on the basis of "scholarship, leadership, and character." The university stated, Miss Heim is one of sixty students to receive such an award.

## AUXILIARY OF HOSPITAL VOTES \$983 DONATIONS

The Auxiliary of the Annie M. Warner Hospital voted to purchase 60 steel thermos bottles for the use of the patients, at a meeting Monday afternoon at the hospital. The cost will be \$975.

Reports at the meeting indicated that the steel bottles proved satisfactory when used in an experiment last year. The bottles cost \$195 a dozen.

The auxiliary also voted to purchase a new terminal sterilization outfit for the pre-natal clinic sponsored by the auxiliary. The equipment will cost \$8.

Mrs. LeRoy H. Winebrenner reported that curtains are being made for the two maternity wards, sponsored by the Hospital Bridge Club and the Emmitsburg YFW.

**Donate Toaster**  
Donation of a toaster to the Snack Bar by Mr. and Mrs. C. A. Cluck was announced. Mrs. Bruce N. Wolff, "photo-babe" chairman, reported that 94 pictures had been taken of infants born at the hospital during February and that \$88 had been received from the sale of the pictures. Profit to the auxiliary was \$65.80.

Mrs. Edmund W. Thomas, president, appointed the following committee chairman: Membership, Mrs. Wilmer Roth; House, Mrs. Winebrenner; Photo Babe, Mrs. Wolff; Snack Bar, Mrs. Frank H. Kramer; Mrs. David G. Blocher, Mrs. Clark Smith, and Mrs. Winebrenner; publicity, Mrs. R. W. Gifford; representative to the County Home Auxiliary, Mrs. N. L. ## WILL GIVE GIFT CERTIFICATES AT FASHION SHOW

Five dollar gift certificates donated by the participating merchants and two baskets of flowers will be given away as door prizes at the Fashion Show to be held at the Legion Home, Baltimore St., Friday, March 11, by the Woman's Club of Gettysburg. The show will begin at 2 p.m.

Young women will model the latest in lingerie and spring clothes from eight or nine local business places. The admission is fifty cents and the entire receipts will be turned over to the Pennsylvania Federation of Women's Club project to be used exclusively for improvements at the Women's Medical College of Pennsylvania, in Philadelphia. This is the oldest women's medical school in the country. It was opened with 3 students in 1850. The state federation is raising funds, state-wide, to help finance needed improvements at the school.

**Participating Merchants**  
The participating merchants are: Anna Bierer's, Jack and Jill Shop, LeVan's Fashions, Mademoiselle Shoppe, The Modern Miss Shoppe, Tobey's Virginia Myers, To-Ten Shoppe, Wayside Flower Shop.

The committee in charge includes: Mrs. Henry M. Scharf, chairman; Mrs. Wilmer Bream, Miss Anna Cairns, Miss Mary Louise Callahan, Mrs. Mark A. Eckert, Mrs. Joseph Heiney, Mrs. Kenneth P. ## Lenten Service

The second in the series of Lenten service, sponsored by the Fairfield Ministerium, will be held Wednesday evening at 7:30 o'clock in Zion Lutheran Church, Fairfield. Continuing with the theme, "Men of the Passion," the Rev. Harry S. Ecker, pastor of Marsh Creek Presbyterian Church, will bring the meditation on "Peter—the Man Whose Speech Betrayed Him."

## Ike And Mamie Are Expected To Register Here

HARRISBURG (AP)—A House-passed resolution inviting President and Mrs. Dwight D. Eisenhower to become voting residents of Adams County won unanimous approval in the Senate last night. The resolution noted that the President is the owner of a farm just outside Gettysburg and invited him on that basis to establish his voting residence there.

It has long been known that President and Mrs. Eisenhower will very likely register in Adams County as soon as they move into their farmhouse.

John H. Baschore, chairman of the Adams County Republican Committee, invited the Eisenhowers to register here several months or more ago. Later, Baschore gave all particulars on where to register, the office hours at the court house and other data to Senator Duff who in turn relayed it to the White House, at the latter's request.

## FBI WILL HOLD POLICE SCHOOL FOR SIX WEEKS

The first Basic Police Training School to be held in this area since 1948 will be made available to all law enforcement officers in Adams, Franklin, and Fulton Counties starting March 7, according to Norman H. McCabe, special agent in charge of the Philadelphia office of the Federal Bureau of Investigation.

The school, sponsored by the FBI and the Pennsylvania Chiefs of Police Association, will be held in the Chambersburg High School on Monday and Tuesday evenings for six consecutive weeks. Classes will start at 7 p.m. and continue until 9 p.m. It will be necessary for the students to attend ten out of twelve sessions in order to qualify for a certificate.

**FBI Agents To Teach**  
The curriculum will consist of those subjects which will be of assistance to each officer in the daily performance of his duties. The instruction will be given by agents of the FBI at no expense to the individual of the police department.

At the 1948 basic school, thirty-six law enforcement officers from this area completed the course and went on to enroll in advanced and other type schools.

Report writing—note taking; difference between state, federal, and municipal jurisdictions; interviews; courtroom testimony; burglary investigation; preservation of evidence; arrest techniques; fire-arm nomenclature; search at the scene of a crime; practical problem—crime scene, search; investigative techniques; public relations.

## MRS. LAWVER EXPIRES AT 74

Mrs. Carrie Lawver, 74, wife of Charles H. Lawver, died this morning at 9 o'clock at the home of her daughter and son-in-law, Mr. and Mrs. Galen E. Kline, Carlisle, following an illness of four months.

She was born in Adams County, the daughter of the late Rufus and Lovinia (Patterson) Diehl, and formerly lived near Mummaburg. Her husband served as a custodian at the Lutheran Theological Seminary for more than seven years. He also served as an attendant at the county home for ten and a half years. She was a member of the Arendtsville Lutheran Church.

She is survived by her husband, to whom she was married for 53 years; a son, Donald Lawver, R. 5; two daughters, Mrs. Kline and Mrs. Rush Hamscher, Orrstown, Pa.; ten grandchildren and eight great-grandchildren; and four sisters, Mrs. Bertha Bettler, Gettysburg; Miss Madeleine Diehl, Arendtsville; Mrs. Orle Heckenluber, Arendtsville; and Mrs. Charles Simmon, Mechanicsburg.

Funeral services Friday afternoon at 2 o'clock at the Bender Funeral Home with the Rev. David J. Markey, pastor of the First Church of the Brethren, Carlisle, and Rev. Dr. Norman S. Wolf officiating. Interment in Fairview Cemetery, Arendtsville.

Friends may visit the funeral home Thursday evening after 7 o'clock.

## 600 Soldiers Move In

A weak boom was heard at communities in Nevada including Indian Springs, Caliente and Tonopah.

## NAME MACPHAIL NEW PRESIDENT OF CHEST UNIT

Attorney John A. MacPhail was elected president of the Gettysburg Community Chest at the annual re-organization meeting Monday evening at the fire engine house. He succeeds Attorney Eugene R. Hartman, Attorney MacPhail.

JOHN A. MACPHAIL

served last year as vice president and fund drive chairman. The new vice president and fund drive chairman was not named immediately, but will be selected this month, the directors decided. John A. Welschance was named executive secretary and Donald B. Trone as treasurer.

**Urges Higher Goals**  
The 1954 financial drive has brought in \$15,082.11 so far, and, if the normal late donations are made, the drive will "wind up" with a total of \$15,500, MacPhail said. That amount will be \$1,500 less than the \$17,000 sought in the campaign.

That amount "will be enough to see us through this year because of the courtesy of the organizations in curtailing their programs to fit." The outgoing President Hartman said, "But we will have to seek a larger goal next year in order to keep in business. We shall all have to do some thinking about a new appeal to the public, because somehow we have not gotten across to the public that the Community Chest is six campaigns at one time and therefore needs that much more support."

## Boy Loses Thumb In Dynamite Blast

Richard D. Cool, 15, son of Joseph Cool, Emmitsburg, R. 1, is in a satisfactory condition at the Warner Hospital today after having his right thumb blown off, right hand injured and his face burned when a stick of dynamite exploded in his hand Saturday afternoon.

The boy is reported to have been checking a trap line when he went to the Emmitsburg dump to warm his feet at a fire there. He noticed an unusual object lying on the ground and was in the act of pouring "powder" out of it when it went off. From the boy's description the object is believed to have been a stick of dynamite with a fuse and cap attached.

## SMITH WILL FILE

The will of Laura A. Smith, late of Huntingdon Twp., has been filed for probate with the register and recorder. It names her son, Edgar J. Smith, as heir and executor of her estate, the value of which is estimated at \$20,000, and includes a house and two lots in York Springs. Mrs. Smith died February 3 at the age of 93.

## Reddish Flash Of Today's Blast Seen In Five States

LAS VEGAS, Nev. (AP)—A reddish flash so bright it was seen in five states accompanied the pre-dawn detonation today of the third atomic device in the 1955 test series.

Touched off in perfectly clear weather at 5:30 a.m., the spectacle was visible as far away as Pocatello, Idaho, 475 miles away. It was also visible in Phoenix, 440 miles southeast. Observers in San Francisco, Los Angeles, Salt Lake City, and St. George, Utah, also witnessed it.

The Atomic Energy Commission said the explosion was similar in power to the second shot of the series, last Feb. 22, which would make it one of the smaller explosions here. The Feb. 22 blast gave a yield of "several kilotons." A kiloton is equal to 1,000 tons of TNT. The Hiroshima atomic bomb had a 20-kiloton yield.

Approximately 40 aircraft flew support, technical and training missions, including eight F84 Thunderstreaks of the Tactical Air Command which practices fighter-bomber delivery techniques.

Residents of many communities in the states where the blast was visible arose to witness the flash. Some reported it as yellow or orange, others as pink. The majority described the predominant color as red.

## Lenten Sermons

The Gettysburg Times will present a series of seven specially prepared sermons on the Last Seven Words of Christ during the Lenten season. The Gettysburg Ministerium was asked to assign the seven topics to seven clergymen in the area.

The sermons will be presented each Wednesday for the first several weeks and two sermons during Holy Week.

The first of the sermons, "Father, Forgive Them," was written by Rev. Clyde R. Brown, pastor of the Gettysburg Presbyterian Church. It will be published in The Times Wednesday.

## ASK INCREASE IN LIGHT RATE 7 CENTS TO \$1.87

Electric rates for almost all of its customers in this area will be increased under provisions of a new tariff filed today by the Metropolitan Edison Company with the Pennsylvania Public Utility Commission in Harrisburg. Scheduled to become effective May 1, these changes will reduce the company's annual revenue approximately \$71,000, William A. Lentz, local manager, said.

"The purpose of this new tariff," Lentz said, "will be to establish uniform rates for the same class of service throughout the company's territory and to better distribute the cost of generating electricity by eliminating a fuel clause in commercial, industrial and municipal rates."

This will mean an increase of 32 cents per month for all residential customers in the area formerly served by the Edison Light and Power Company. The differential of 25 cents per month existing between customers in the former Edison Light and Power Company area and the rest of the Metropolitan Edison Company area will be eliminated. The 32 cents increase is the result of this 25 cents differential plus a 7 cents per month increase that applies to all Metropolitan Edison Company residential customers.

**7 Cents To \$1.87 Boost**  
For power and lighting customers using up to 2,140 KWH's per month, the increase will range from 7 cents to \$1.87 per month. For most larger users it will mean a decrease in net monthly bills, although their basic rates will be increased, Lentz said.

"Based upon 1954 operations, the overall annual effect of the change will be to increase domestic revenues about \$300,000, and decrease commercial, industrial and special classification revenues about \$371,000. The net effect is a revenue decrease of approximately \$71,000 for the company," he added.

The new rates, which replace a proposed tariff withdrawn February 14, provides for a minimum charge of \$1 per month for residential and commercial customers. For this amount, a customer may use 14 KWH. Previously the minimum charge was 75 cents for which a customer received 10 KWH. Thereafter the rate covers certain blocks of energy ranging from 4 1/2 cents down to 2 cents with a special rate of 1 cent per KWH for certain electric water heating requirements.

Under the new tariff all residential customers will pay the same rate for electricity, regardless of geographical location.

## Reddish Flash Of Today's Blast Seen In Five States

St. George also heard it. Some 600 soldiers from Camp Desert Rock observed the sight from trenches an undisclosed distance. There were no casualties and troops moved in toward the blast area shortly afterward to inspect vehicles, dummies and weapons exposed to blast effects.

Today's device was developed by the AEC's research laboratory at Livermore, Calif., and was the first exclusively Livermore project tried at the test site. Livermore's work is mainly concerned with hydrogen-type weapons, but the AEC has said no hydrogen devices are to be tested here.

The only word on today's shot was an AEC statement that it had a yield of "several kilotons." A kiloton is equal to 1,000 tons of TNT. The Hiroshima atomic bomb had a 20-kiloton yield.

Approximately 40 aircraft flew support, technical and training missions, including eight F84 Thunderstreaks of the Tactical Air Command which practices fighter-bomber delivery techniques.

Residents of many communities in the states where the blast was visible arose to witness the flash. Some reported it as yellow or orange, others as pink. The majority described the predominant color as red.

## RED CROSS HAS GOOD START ON \$15,493 GOAL

The 1955 fund campaign of the Adams County chapter of the Red Cross got off to a flying start this morning with the announcement that \$1,363 already has been received toward the \$15,493 goal. A year ago on March 1, the fund campaign held \$100.

Scheduled to extend throughout the month of March nationally, the drive in Adams County is to be conducted as rapidly and with as complete coverage as possible, if plans of Campaign Chairman Kenneth W. Johns, and his assistant, George W. Naugle, are carried out.

Johns and Naugle were busy today completing their list of district chairmen who in turn will select area captains and an army of several hundred solicitors to carry the annual appeal of the Red Cross for funds throughout the county.

**Lions' Gift Largest So Far**  
The early list of contributors announced today by the Red Cross includes five of \$100 or more. Gifts from organizations will be published as will donations of \$10 or more from individuals and businesses.

The initial list is headed by the \$155 sent in by the Gettysburg Lions Club, one per cent of the total fund drive goal. The Alwine Brick Company of New Oxford gave \$100; Attorney Donald P. McPherson Jr., \$125; the State Container Company, Biglerville, \$100, and the annual \$100 donation has been received from J. H. Bateman, former county treasurer residing at Philadelphia. Mr. Bateman's donation each year is the first to be received for the fund drive.

There have been gifts of \$75 each from Attorney Charles W. Wolf and Carroll Shoe Company of Littlestown; \$50 each from the Gettysburg Lodge of Elks and the Duffy-Mott Company, Aspers; \$30 from the First National Bank of Gettysburg; \$25 each from Victor Products Corporation of Pennsylvania; A and P Tea Company; Gettysburg National Farmers' and Merchants' Bank of New Oxford, Loyal Order of Moose of Gettysburg and the Gettysburg Shoe Company.

**Other Donors**  
There have been \$15 contributions from Dr. Harry P. Baughman, Gettysburg Auto Parts, Upper Adams Lions Club, Annie Danner Club, and the Littlestown Hardware and Foundry.

Ten dollar gifts have been made by the following: The Gettysburg chapter of the DAR, Gettysburg Building Supply, Biglerville Water Company, Sherman's Store, Dr. Walter C. Langsam, SAE fraternity, Littlestown Canning Company, Attorney Eugene R. Hartman, Lambda Chi Alpha Fraternity, Gettysburg Throwing Company, the Order of the Eastern Star and the Keystone Cabinet Company.

## GHS Teacher Has Fractured Vertebra

Additional X-rays taken Monday afternoon at the Warner Hospital revealed that Mrs. Anna B. Heintzelman, 102 E. Middle St., sustained a compressed fracture of the eighth vertebra when she fell down a stairway at her home Sunday morning following the explosion of a power line outside her bedroom window.

Mrs. Heintzelman, who is a teacher at Gettysburg High School, was reported in a satisfactory condition today. She will be a patient at the hospital for several weeks.

## LICENSED TO MARRY

A marriage license was issued this morning by the clerk of courts to William F. Bayer, son of Mr. and Mrs. Francis W. Bayer, Allentown, and Agnes Krynock, daughter of Mrs. Joseph Krynock, Tuscorora, Pa., and the late Mr. Krynock. This is the first license to be issued in Adams County since February 15, according to the clerk's records.

members has begun and so far 385 have been secured.

### Executive Committee

Named to the executive committee were: Arendtsville, Mrs. Raymond Hale and Mrs. Walter Frederick; Biglerville, Mrs. Willis Beidler and Mrs. Dale Lawler; Flora Dale, Mrs. Frederic E. Grist; East Berlin, Mrs. Paul Lerew Jr. and Mrs. Leon Roos; Emmitsburg, Mrs. George Eyster, Mrs. James Williams and Mrs. Ernest Shriver; Fairfield, Mrs. Ira Henderson, Mrs. Robert Willis, Mrs. Leroy Sheads and Mrs. I. Z. Musselman; Littlestown, Mrs. Richard Phreaner, Mrs. Wilbur Bankert and Mrs. Ray Reindollar; New Oxford, M. D. DeTar, Mrs. Herbert Bryan and Mrs. Charles Wolf; Taneytown, Mrs. John S. Teeter and Mrs. Robert McVaugh; York Springs, Mrs. Ronald Pittenturf and Mrs. W. J. Rifenbary; Upper Adams, Mrs. Barton Poth; Gettysburg, Mrs. N. L. Minter, Mrs. George Eberhart, Mrs. C. H. Johnson, Mrs. Raymond Sheely, Mrs. Roy W. Gifford, Mrs. David Blocher, Mrs. J. McCrea Dickson, Mrs. LeRoy Winebrenner and Mrs. Frank Kramer.

Named as committee chairmen for the staffing of the Snack Bar were: Mrs. Cameron Hoffman, Arendtsville; Mrs. L. W. Kleinmiller and Mrs. Earl Carey, Biglerville; Mrs. Bankert and Mrs. Reindollar, Littlestown; Mrs. Teeter and Mrs. McVaugh, Taneytown, and Mrs. Ernest Shriver, Emmitsburg.

Walter R. Dillon, administrator of the hospital, showed blueprints for the planned \$235,000 addition to the hospital. The addition will not only permit a greatly needed expansion of the hospital facilities, Dillon said, but also will provide space for isolation rooms for patients with infectious and contagious diseases. The hospital at present has no areas for persons with contagious diseases and they must be sent immediately to other hospitals, generally to Harrisburg.

Refreshments were served following the meeting by Mrs. Truman Eyer and Mrs. Howard Hartzell.

## WEATHER FOR

(Continued from Page 1)  
weather days. The greatest depth was recorded as three inches.

**11 Inches Short On Rain**  
Slippery highways on numerous occasions were the chief feature of the weather for last month that will be remembered by many. There were fogs, too, freezing rain and sleet.

The slight shortage of rain for the month brought the 1955 shortage to 2.79 inches. The first month of this year was the driest January on record here and followed a dry 1954. The rainfall shortage for the last 14 months now stands at 11.03 inches. The 1954 shortage was 8.24 inches.

### REV. J. W. HOWES SPEAKS SUNDAY

The Rev. Dr. John W. Howes, professor of rural church at the Westminster Theological Seminary, spoke on the subject "Work Knots" at the union vesper service held on Sunday evening in Christ Evangelical and Reformed Church.

The guest speaker was secured for the occasion by the Rev. Herman E. Stenger, pastor of Centenary Methodist Church, and was introduced to the congregation by him. The Rev. Dr. Howes based his message on the text of Paul's letter to the Galatians, in which Paul said: "I have the marks of the Lord, Jesus Christ." Dr. Howes spoke on the marks, including physical endurance, courage and patience and kindness.

The worship was in charge of the Rev. G. Howard Koons, pastor of the host church. The Scripture was read and prayer offered by the Rev. Mr. Stenger. The service concluded with the benediction pronounced by the Rev. Dr. Howes.

The union vesper on Sunday, March 6, 7:30 p.m., will be held in Centenary Church. The Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, has secured the Rev. Christopher J. Noss, new pastor of St. Mary's Reformed Church, Silver Run, as guest speaker.

**Midweek Service**  
Midweek Lenten service will be held in St. John's Lutheran Church, when the pastor, the Rev. William C. Karns, will present a sermon from a series of messages based on the Book of Revelation, on Wednesday at 7:30 p.m. Prior to the service, the Junior and Young People's Intermediate Choir will rehearse at 6:30 p.m., and following the worship, the Senior Choir will rehearse at 8:30 p.m.

Joyce Breighner was leader at the meeting of the Christian Endeavor Society of St. Paul's Church on Sunday evening. The topic "The Beatitudes" was discussed by the leader. Janice Breighner read the Scripture and she will be the leader for the meeting next Sunday at 6 p.m.

New members are invited to join the Young People's Society of St. Luke's Union Church, near White Hall. The organization will meet on Sunday evening at 7 o'clock in the Sunday School room of the church. Frances Rucker will be leader for the topic discussion.

Lenten devotions, including rosary, sermon and benediction of the Blessed Sacrament, will be held in St. Alvarus Catholic Church on Wednesday evening, 7:30 o'clock.

Mr. and Mrs. Reuben Slothour, East Berlin R. 3, who marked their golden wedding anniversary on Saturday, were guests at a dinner at the home of their son, Guy Slothour, Hanover, Sunday.

Mr. and Mrs. Slothour were married in St. John's Lutheran Church, Abbottstown, on February 26, 1905. The Rev. R. H. Clare performed the ceremony.

Mr. Slothour is 72. His wife is 69. The couple are the parents of four sons, Edgar, New Oxford R. 2; Guy, Hanover; Fred, Harrisburg and Leon Slothour, East Berlin. They have 19 grandchildren, and five great-grandchildren.

**CASABLANCA, French Morocco (P)—Sherif Moulay Idriss, founder of the moderate Democratic Party of Freemen, was assassinated today.**

Two men were waiting for him as he left his home. He was hit by five revolver bullets while his eldest daughter looked on. The killers escaped on a bicycle.

A French official said Moulay Idriss' party opposes the nationalist Istiqlal and favors a republic that would collaborate closely with the French. He added, however, that the party is small and not

**TOKYO (P)—The U.S. Air Force said a twin-engine C119 flying boxcar crashed tonight, 18 miles north of Ashiya Air Base on Kyushu Island.**

A spokesman said all seven men aboard bailed out over water and were picked up by rescue crews. One man died later.

The spokesman said he did not know if any were passengers, or whether all were crew members. Names were withheld.

## EMMITSBURG'S LIONS GIVEN SURVEY REPORT

The Emmitsburg Lions Club met at the Lutheran parish house Monday evening with President Ralph McDonnell presiding.

There were seven guests present: L. Beard Miller, Roy Rider, Martin Snook and Leroy Castle of Williamsport, Md., and Frank Higginbotham, Elmer Bokesch and Ralph Boyer, all of Frederick. One new member was present, Lester (Pop) Crouse of Thurmont.

A report was made on the labor survey and \$50 was contributed to help pay the expenses. A report was also made on the Little League Baseball organization in which 120 boys are interested.

On Monday, March 14, the Mt. St. Mary's College basketball team as well as the teams from St. Joseph's High School and Emmitsburg Public High School will be entertained at dinner at the Lions Club meeting. Dick Harlow, coach at Western Maryland College, will be the guest speaker.

Mr. and Mrs. Carroll Heiser have returned from a 14-month stay in Alaska where Mr. Heiser was in the U. S. Army. Mrs. Heiser is the former Ruth Ling, daughter of Mr. and Mrs. John Ling.

Mr. and Mrs. Henry Kelly, Baltimore, visited Sunday with Lewis J. Kelly.

Louis Callahan Jr., Baltimore, and Mrs. Alma Wetzel visited over the weekend at the home of Mrs. Eugene Warthen, St. Anthony's.

Mr. and Mrs. Wilbur Overholzer, Philadelphia, were weekend visitors

of Mrs. Overholzer's father, Felix Adams, De Paul St.

Miss Alice Kelly has returned to her home on De Paul St. after spending a week with friends and relatives in Philadelphia.

Among the weekend guests of Mr. and Mrs. Frank Fitzgerald of Havilah Farm were Mr. and Mrs. William Garner of Arlington, Va.; Mr. and Mrs. Thomas Arcidiacono and children of Hagerstown, and Miss Patricia Fitzgerald of Annapolis.

John Beagle, University of Maryland, spent the weekend at the home of his parents, Dr. and Mrs. D. L. Beagle.

Mr. and Mrs. John Michael, Hemler Rd., near St. Anthony's, are reported to be seriously ill at their home.

The Misses Rita and Christine Jordan of Baltimore were at home over the weekend with their parents, Mr. and Mrs. John Jordan of St. Anthony's.

Mrs. Jennie Guise has moved from Baltimore to the residence of the late J. Frank Rowe, W. Main St.

Miss Louise Adams of Washington, D. C., is spending a few days with her father, C. Felix Adams, De Paul St.

Mr. and Mrs. Leo Eckenrode and children, Mark, Larry and Jane Ann, of Hagerstown, visited on Sunday with Mr. Eckenrode's father, Charles E. Eckenrode, on the occasion of his birthday.

Saturday afternoon the Vigilant Hose Company was called to the home of Wilbur Andrews, Reservoir Rd., to put out a chimney fire. No damage was reported.

Although modern irrigation works in the arid portions of the United States date from 1847, many large irrigation systems that date from periods before recorded history have their remains in the same areas.

## NAME MACPAIL

(Continued from Page 1)  
one of the founders of Community Chest, and who served for his last time Monday evening, completing two full terms as a member of the board, told the group: "We should set our goals higher. We should challenge the public to meet a goal that would give the organizations an opportunity to give the full service of which they are capable, instead of trimming everything to the bone and seeking only the amount that is absolutely necessary to continue operation. I believe we would find a better response."

**Most Directors Are New**  
At the annual membership meeting with which the session opened E. Donald Scott, Mrs. George Forney, John Caldwell, Harold Ecker, Kenneth Dengler, Attorney MacPhail and Walter Meighan were named as directors for three-year terms. Mrs. Charles Lauver was elected to serve the unexpired portion of the term of her late husband.

Of the directors elected only two, Mr. Scott and Mrs. Forney, were re-elected. Dean Tilberg, as chairman of the nominating committee, explained that the committee felt that two terms—six years—was sufficient and that "new blood" should be brought into the organization. Three men who have been with the organization since the beginning, Attorney Donald M. Swope, Glenn Guise and Dean Tilberg, thus served for the last time Monday night.

Expressions of appreciation were voted for the services of Mr. MacPhail and Mr. Hartman, for the retiring directors, and for the organizations who receive their support from Community Chest for their cooperation in cutting budgets to meet the amount obtained.

## ZONE MEETING

(Continued from Page 1)  
ley Schaible of Fairfield was introduced as was Ira Kerr, a former member of the Gettysburg club now residing in Carlisle.

Schaible met after the general meeting with the presidents and secretaries and Chairman Clarence Bartholomew called a meeting of the local Lions' Show committee and committee chairmen.

There was group singing led by Paul Grove and the local Lions' Club quartet, including Bartholomew, Grove, David Bloser and Walter Meighan, sang a group of selections with Mrs. Bartholomew at the piano.

Glendon Weeks and Chapa Dell from Hanover and Richard Codori of Gettysburg provided music during the dinner which was served by ladies of the church.

## County Student On Dean's Honor List

J. Garry Beidler, of Biglerville, has been named on the Dean's honor list at Bucknell University, Lewisburg, Pa., for scholastic excellence during the first semester of the current academic year.

Beidler is the son of Mr. and Mrs. J. Willis Beidler, North Main St., Biglerville. A member of the Freshman class, he is one of 36 freshmen named on the current list. Only those students who have achieved a high average in their studies are cited on the Dean's list.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTY YEARS AGO

**Fairfield Items:** Miss Helen Cunningham is visiting Mrs. E. R. Laughlin at Princeton.

Mr. and Mrs. J. T. Hartzel and son, Howard, of Gettysburg, spent Saturday with Mrs. Hartzel's sister, Mrs. J. W. Klittinger.

Lewis Overholzer and wife, Mr. and Mrs. Collier, of Emmitsburg, were guests of Mr. and Mrs. Waddles.

**Colonial Tea:** The Gettysburg Chapter of the Daughters of the American Revolution will give a Colonial Tea March 9th.

The Alpha Tau Omega fraternity has kindly loaned their new house on North Washington St. opposite the Campus to the Chapter. The money realized from the tea will be sent by the Chapter as its contribution to the Memorial Continental Hall, now being erected at Washington, D. C., by the Daughters of the American Revolution, to be used as a museum for Revolutionary relics and the possessions and records of the Society. The cornerstone was laid last April. The cost of the building will be \$400,000.

**Reception To Seniors:** President and Mrs. Heffebower tendered a reception to the Senior class of College Thursday evening. The affair was a most delightful one and the Seniors are loud in their praise of Mr. and Mrs. Heffebower.

**Local Miscellany:** For the next four weeks all mail going out and coming in will be weighed at the Gettysburg office in conformity with the rules. Consequently the clerks are kept busy as one-half ton of mail is handled daily.

The second dance given by E. J. Plank, John Eberhart, C. W. Holtzworth, C. C. Sefton, Daniel West and C. J. Spaulding Friday evening was a greater success than the first. The crowd was larger and sociable and all enjoyed themselves greatly.

Many of our citizens will attend the inauguration of President Roosevelt Saturday.

The Y. W. C. T. U. will meet with Mrs. Amos Eckert Thursday evening at 8:30.

The College basketball team was defeated by Franklin and Marshall College at Lancaster last Wednesday evening by the score of 72 to 20 and by the Lebanon Valley College at Annville the next evening by the score of 30 to 17.

Kauffman, manager of the College baseball team, won one of the watches in the Sunday "Inquirer" geographical prize contest of the 19th inst.

J. C. Wineman has purchased from C. W. Troxell the stock and fixtures of the latter's grocery store on York Street. Mr. Wineman will conduct the same in addition to his store on Carlisle St.

**Personal:** Judge Swope left yesterday (Tuesday) morning for Chambersburg where he held Court for Judge Stewart.

Miss Anna Taylor attended the reception at Irving College last Wednesday evening and also spent a few days with Miss Fichtner and Miss McKee, students at the college.

Mr. and Mrs. C. G. Dalby, of Philadelphia, spent several days recently with their son, Dr. Dalby, in this place.

"Eddie" Plank left yesterday to join the Philadelphia Athletics, who will train in Louisiana.

**Another Mad Dog:** Another mad dog made his appearance along the Chambersburg Pike last Wednesday. The animal was first seen at L. J. Bucher's and was moving west. On reaching George D. Thomas' residence, the mad animal met and bit Mr. Thomas' valuable shepherd dog. He then proceeded out the pike to the Marsh Creek bridge, where he met Milton Lady and Edgar Newman, who were bringing a cow and calf to town. These gentlemen endeavored to kill the dog and keep it away from the cattle, but despite their efforts it bit the cow several times in the nose.

Mr. Thomas followed the animal to Seven Stars, where he shot it. He also killed his own dog.

Thousands of Texas cattle were killed by the recent blizzards. All along the Susquehanna, fear

## Today's Talk

## RIVALRY

We hear a great deal about "friendly rivalry," but I wonder if there is such a thing? Certainly not in its perfect state! We are all trying to get on and be not only successful but useful members of society.

Our newspapers are filled with the tales of nations arming for "defense." It is an example of rivalry—but there is nothing friendly to it. It is a jealous and selfish rivalry. In our everyday life there are too many trying to "keep up with the Joneses." I wonder if we ever think of the Joneses as having their trouble in keeping up with those who have long outstripped them? How foolish and unintelligent is such a rivalry!

I like that word "co-operative." When we help someone else up, we gain strength and self-respect and a warm feeling for all others. In nature there seems to be a friendly rivalry among birds and animals. They flock together and group together and seem quite content. They like the company of one another. How interesting is the flight of birds from the colder climates of the north to the warmer days of the south! They have their own leaders and fly as one, and their route is accurate. From whom did they learn it?

What a boom to mankind if nations would initiate a rivalry for peace! It would change the world, happily, as nothing else in all history. It would wipe from memory all the tears of mothers since wars began, and would give such assurance to the human race that it would taste of a maturity never before imagined!

I like that rivalry among wealthy men to see who can give the most toward a useful and meritorious cause. All these contests to raise money for the good of people less fortunate than ourselves are wonderful demonstrations of kindness and generosity. We always feel better after having given a boost to someone else.

Tomorrow Mr. Adams will talk on the subject: "Music's Influence." Protected, 1955, George Matthew Adams Service

## Just Folks

## SORRY FATE

He lived a poor life, rich to be. And, at the end, The fortune he had gained had he. But not one friend.

The living to the dead are kind. Or try to be. But only evil came to mind When dead was he.

He lived with shame. He died with shame. Though he was rich, Corruption vile had stained his name As black as pitch.

Not one had praise of him to tell. Just words of hate. Recalled to phrase his last farewell. Oh, sorry fate!

**Narrow Escape:** One day last week Frank Funk, of Irishtown, made a very narrow escape from losing his life. Mr. Funk and James Yingling were engaged at digging a well on the premises of Harry Clunk in Irishtown. They had gone down some distance and Mr. Yingling was at the windlass and Mr. Funk down in the well. In attempting to hoist a large rock from the well the plank on which the windlass was standing gave way, allowing the heavy stone, which had been raised to near the top, to fall back into the well. The heavy stone in its descent scraped the person of Mr. Funk and catching his foot crushing two toes entirely therefrom. Had the rock struck Mr. Funk it would have crushed him to death—Item.

## ACCUSE ISRAEL OF KILLING 38 EGYPTIANS IN "SNEAK ATTACK"

CAIRO (P)—Egypt accused Israel today of killing 38 Egyptians and wounding 21 others in a "sneak" night attack on an army headquarters two miles inside Egypt's Gaza Strip.

The Egyptian director of Palestine affairs, Lt. Col. Salah Gohar, termed the attack the biggest clash on the Israeli-Egyptian frontier since the 1949 Palestine Armistice.

Five hours after the Egyptian announcement, an Israeli army spokesman in Jerusalem announced that the Egyptians had attacked an Israeli army unit and a "battle ensued which started in Israel territory and continued into the (Egyptian-held) Gaza Strip." The spokesman said the "enemy forces were repulsed" and the Israelis "suffered a number of casualties."

**Used Molotov Cocktails**  
Gohar said Israeli forces surrounded the army unit last night, blasted it with mortars and demolition charges, and then ambushed a truckload of 36 troops rushed to the position.

"The Israelis even threw Molotov cocktails of blazing gasoline into the wrecked truck," the Egyptian spokesman reported. "Twenty-two were killed and 14 were wounded. None escaped being either killed or wounded."

Gohar said 16 Egyptians were killed and seven were wounded in the opening attack. These casualties were believed to include one civilian dead and one wounded, he added.

He charged also that the attackers destroyed a well supplying one-third of the water for the ancient town of Gaza, population about 40,000.

It was expected Egypt would act quickly to bring the incident before the U. N. Security Council.

## DR. EISENHOWER GIVEN AWARD

NEW ORLEANS (P)—The International House Monday presented its annual Cunningham Award to Dr. Milton S. Eisenhower, brother of the president, for his work in winning friends in Latin America.

R. G. Jones, president of International House, presented the award, named after the late Thomas F. Cunningham, who headed the Mississippi Shipping Co.

Jones said the award was for 1953 but that one of its conditions called for it to be presented in person. Dr. Eisenhower is here for the Inter-American Investment Conference.

Dr. Eisenhower, special advisor to the president on Latin American affairs, received the award for the report he made on United States-Latin American relations, Jones said.

The award is granted annually to the person showing "the greatest interest in the study of the social, economic, cultural and political activities of Latin American countries and who has contributed toward the maintenance and promotion of a better understanding between these countries and the United States," Jones added.

## Tired Of 50 Years Of Her Breakfasts

WHITE ROCK, B.C. (P)—John R. Macrea, 50, a cripple, was arrested yesterday and charged with murder in the strangling of his 80-year-old mother Mrs. Minnie Copeland Macrea. He told police: "I didn't like the way she fixed my breakfast."

## READING RR REPORTS DROP IN 1954 INCOME

PHILADELPHIA (P)—Reading Co. reports a 26 per cent drop in net income and an 18 per cent decrease in operating revenues in 1954 compared to 1953.

The firm reported net income for 1954 of \$9,189,217 or \$4.56 a share as compared with \$12,481,217 and \$6.92, a decrease of \$3,291,951, in 1953.

President Joseph A. Fisher said operating revenues totaled \$109,486,020 last year, a decrease of \$23,339,589 over 1953.

Fisher said revenue from anthracite business was \$13,960,780, down \$3,423,500.

**Freight Decrease**  
The annual report also said revenue freight carried totaled \$8,624,852 tons, a decrease of 12,448,601 tons, and that revenue from freight other than coal amounted to \$57,060,247 compared with \$73,20,296 in 1953.

"The year 1954 was a period of uncertainty," Fisher said, "in which business, generally, marked time and reduced inventories. The revenue of the company declined substantially, although a slight improvement occurred in the last quarter of the year."

He told the firm's stockholders that "despite its lower revenues, the Reading recorded two gains this year of interest to stockholders. By payments on equipment obligations and the retirement of outstanding bonds, your company's long term debt was reduced \$6,124,537."

**Improvement Delayed**  
He also said: "Until there is an indication of a better business trend and the attitude of the interstate commerce commission is known concerning freight rates, which are temporary through 1955, it is difficult to schedule a major improvement which we believe will be necessary in the years ahead."

## UN WILL PROBE VIOLATIONS OF ARMISTICE PACT

PANMUNJOM (P)—Charges of Korean armistice violations, brought both by the Allies and the Communists, will be investigated by truce supervisors, the United Nations Command announced Monday.

The U. N. Command said, however, that the supervisors' agreement to investigate Allied charges of Red MIGs being brought into North Korea illegally probably comes too late.

One inspection team left for North Korea Sunday night and two others were to follow tonight.

Maj. Gen. Leslie D. Carter, senior Allied member of the Military Armistice Commission, said teams of the Neutral Nations Supervisory Commission would investigate six locations in South Korea where the Communists charge combat materiel was introduced illegally.

Carter said the charges, made in a letter to the supervisory commission Feb. 24, were "fabricated."

## MIGs In North Korea

Allied charges that MIGs were brought into North Korea after the armistice were made Feb. 21 but the commission didn't decide until yesterday to investigate them. The protest grew out of the Feb. 5 air battle over the Yellow Sea in which 12 American Sabre Jets shot down two of eight attacking Communist MIGs.

The U. N. Command protested the Red planes came from North Korea.

The command said the lateness of the decision to investigate gave the Reds "a beautiful opportunity to cover up the evidence and move out the MIGs that have been introduced since the armistice."

Carter, senior UNC member of the joint Military Armistice Commission, told newsmen at Munsan he was "dissatisfied" with the six-day delay. He said his request to the commission was approved belatedly "at the cost of granting authority of equal inspections in the South."

## Painter Falls 3 Stories; Unhurt

DETROIT (P)—Walter Simard, 25, fell from the top of a three-story building yesterday while painting a sign. He suffered only cut hands, a sore hip and twisted ankle. He said he broke his 50-foot fall by grabbing at wires and brackets holding the sign.

## YOUNG VETERAN KILLS SELF AS POLICE LOOK ON

PERTH AMBOY, N.J. (P)—A handsome young army veteran committed suicide in front of police on Sunday after critically wounding his mother and then forcing a married couple at gunpoint to drive him around.

Charles Johnson, 20, fired a shot into his stomach as police were trying to convince him that his mother was still alive.

Johnson had come home drunk at about 1 a.m. and had an argument with his widowed mother Mrs. Anna Johnson, 43.

**Wanted To Re-enlist**  
Out of work, Johnson recently was convicted of possessing a stolen car. A Staten Island, N.Y., judge gave him the choice of a jail term or of re-enlisting in the Army by March 11. The youth pleaded for the chance to re-enlist "to make a man of myself."

"I know I'm going to get time in New York and I don't give a — — — what happens," an uncle who witnessed the shooting quoted Charles as telling his mother. "You think this thing won't go off," said young Johnson, wielding his .45-caliber revolver. The gun did go off, and Mrs. Johnson crumpled to the floor, said the uncle, Harold Johnson.

**Drove Around 5 Hours**  
Johnson fled from his home and forced Mr. and Mrs. Leolin West, of Rumson, to drive him away. They rode more than five hours over the Jersey shore area and central sections of the state.

When they finally returned to Johnson's front door, the youth got out of the car and the Wests reported the incident to police, who went to the scene with riot guns.

Johnson was in the basement. He came upstairs to the living room with his gun under his shirt. Refusing to believe that his mother still lived, he pulled the trigger, killing himself.

BERLIN (P)—Communist East Germany threatened Monday to take countermeasures against West German rearmament.

NEW YORK (P)—Mrs. Beatrice Newhouse, 46, wife of Theodore Newhouse, associate publisher of the Newhouse newspaper, died Monday at Mount Sinai Hospital after an illness of several months.

Mrs. Newhouse was the daughter of Mr. and Mrs. Harry Rosenberg, of Elizabeth, N.J. Besides her husband and parents, she leaves a daughter, Jane, and a brother George Rosenberg.

Mrs. Newhouse's husband is associate publisher of the Long Island Daily Press, the Long Island Star-Journal, Staten Island Advance, the Syracuse Herald-Journal and the Post-Standard, in New York; Newark, N.J., Star-Ledger and the Jersey Journal, Jersey City, N.J.; the Harrisburg, Pa., Patriot and the Harrisburg, Pa., News, and the Portland, Ore., Oregonian.

## CARRYING SNOW TO IDAHO

ELY, Nev. (P)—Workers dug for hours to free a big truck snow-bound by a blizzard on Murray Summit south of here. The truck was loaded with 6,200 pounds of artificial snow en route to a movie set at Sun Valley, Idaho.

HARRISBURG (P)—Sen. Rowland B. Mahany, Senate Republican leader, today forecast easy Senate approval of a proposed constitutional amendment for annual sessions of the General Assembly.

"There shouldn't be any difficulty at all in this passing the Senate," he told a newsmen. "It is supported by both Republicans and Democrats."

## Jr. Hi Host To Chambersburg As GHS Travels Tonight To Conclude Basketball Seasons

Gettysburg Senior and Junior High School's basketball squads will conclude a pair of disastrous seasons tonight, the Warriors journeying to Chambersburg for a South Penn League affair while the Junior High Braves will be host to the invading Chambersburg Gladiators.

Coach Howard Shoemaker's Braves will attempt to avenge a 42-27 loss at Chambersburg while Ned Brownley's reserves will also seek revenge for a 31-16 loss. The preliminary game will start at 6:30.

There appears to be little likelihood the Warriors will be successful at Chambersburg. The Trojans were triumphant here 79-52 and will probably be even tougher on their home court. Chambersburg, first half titlists, are a game back of Carlisle in the second half race and must win tonight to retain a mathematical chance of tying for first place.

Carlisle appears certain of wrapping up the second half title when it entertains invading Waynesboro this evening. Hershey, deadlocked with Chambersburg, is favored to win over Mechanicsburg at Hershey. Hanover invades Middletown to complete the program.

If Carlisle cops the second half title tonight there is a possibility the playoff for the league title with Chambersburg will be staged on the Gettysburg College floor Friday evening.

Delone Catholic will complete its season with two games this week. The Squires, 4-15, meet the Alumni tonight and Friday will be host to Harrisburg Catholic.

**Playoff Here Wednesday**  
Gettysburg High School's floor will be the site of a Class B PIAA playoff game Wednesday evening at 8 o'clock.

Greencastle of the Franklin County League will tangle with Eastern Joint of the York County League.

The Eastern Joint quintet has a season record of 16-2. Greencastle has a 15-4 mark.

## '55 TV Program To Be Revealed

CHICAGO (AP)—The National Collegiate Athletic Assn. television committee is going ahead with plans to announce its 1955 football program this week.

Walt Byers, executive director of the NCAA and secretary of the TV committee, said yesterday plans for the program will be submitted to member institutions by mail tomorrow and will be given to the press Thursday.

The announcement appeared to have ended rumors that the plans which the committee announced it had agreed upon Feb. 18 in Chicago would be revised again and submitted to another committee meeting this week.

## Cashtown Club To Meet Wednesday

All members of the Cashtown Baseball Club are requested to attend a meeting at the Cashtown Fire Co. Hall Wednesday evening at 8 o'clock.

Manager Johnny Wetzel said today members will be measured for new uniforms and it is important that all be present.

## CONFERENCE MEETING

A meeting of the South Penn Scholastic Conference will be held Wednesday evening at Eichleberger's Restaurant, near Mechanicsburg. Shippensburg is expected to ask to be permitted to remain as a basketball competitor while it is reported another school will seek admission to the conference at the session.

## CLUB TO REORGANIZE

A reorganization meeting for the Mummaburg Baseball Club will be held Friday evening at 8 o'clock at the Mummaburg school house. Mummaburg won the regular season championship of the South Penn League last season.

## FENWAY WAS HOMER HAVEN

**BOSTON (AP)**—Fenway Park, home of the Boston Red Sox, was homer haven in the American League during 1954. Sluggers hit 139 home runs there and here's how the clubs fared: Boston hit 69, Cleveland 25, Philadelphia 13, New York 12, Baltimore and Chicago 5 each, Washington 6 and Detroit 4.

Ransom Jackson of the Chicago Cubs was a teammate of Bobby Layne on the Texas Christian football team and played in the 1946 Cotton Bowl game.

## SAN FRANCISCO LEADS PACK FOR FOURTH WEEK

By THE ASSOCIATED PRESS  
For the fourth straight week the University of San Francisco today was named the No. 1 college basketball team in the weekly Associated Press poll with Kentucky and La Salle still in close pursuit of the defense-minded Dons.

Of the 104 sports writers and sportscasters voting, 43 named San Francisco as the top team. The Dons, boasting the best defense among major colleges, amassed 888 votes. The balloting was based on records of games through last Saturday, with points on the usual basis of 10 for each first-place vote, 9 for second, etc.

Duquesne, seeded No. 1 in the National Invitation Tournament, experienced the biggest drop when it fell from fourth to eighth after bowing to Dayton. The Flyers seeded No. 2 in the NIT, moved up from 11th to 10th.

**4 Climbed A notch**  
Marquette, North Carolina State, Minnesota and Utah all climbed one notch in the rankings as a result of Duquesne's setback. UCLA held ninth place.

The leaders, with first-place votes in parentheses:

1. San Francisco (43)	888
2. Kentucky (15)	723
3. La Salle (9)	640
4. Marquette (8)	460
5. N. C. State (1)	425
6. Minnesota (1)	369
7. Utah (4)	359
8. Duquesne	348
9. UCLA (5)	297
10. Dayton (6)	262
11. Alabama (4)	153
12. Iowa (3)	120
13. G. Washington	115
14. Oregon State (2)	77
15. Tulsa (1)	68
16. Vanderbilt	55
17. Illinois	42
18. Maryland	40
19. Memphis State (1)	37
20. Missouri (1)	35

## COLORADO HAS BIG 7 CROWN; 20,176 AT GAME

By THE ASSOCIATED PRESS  
Colorado today held its first undisputed Big Seven basketball championship, while Kentucky and Iowa began consulting timetables to the NCAA post-season tournament.

The Buffaloes, who finished in a tie for the Big Seven title last year, and then represented the league in the NCAA tourney on the toss of a coin, won't have to depend on luck this time.

They polished off Missouri 66-57 at Columbia last night to cement the crown. This one was won from the free-throw line where the Buffs made good on 30 of 39 fouls. Missouri, the only remaining challenger, started fast in both halves but faded badly at the end.

## Assured Of Titles

Kentucky and Iowa will have to await the outcome of the final games in the Southeastern Conference and Big Ten, respectively, Saturday before they can make their reservations to the NCAA tourney definite. Right now they're each assured of at least a tie for the title.

The Wildcats had a long road, indeed, this year before they made it by whipping Alabama 66-52 on their home court in Lexington last night. Kentucky, No. 2 in the Associated Press basketball poll, has lost only two games all season, but both were to Georgia Tech, a conference team.

Alabama stayed right along with Adolph Rupp's charges until Gayle Rose and John Brewer began hitting in the clutch to make the victory definite. The Wildcats bottled up "Bama ace Jerry Harper, who managed to score only 12 points.

**20,176 See Iowa Win**  
Iowa broke Minnesota's heart with a 72-70 victory over the Gophers before an astounding crowd of 20,176, probably the largest ever to see a basketball game in a field house.

Only a week ago, Minnesota was entertaining high hopes of winning its first undisputed Big Ten championship in 36 years. Now its dreams are all but blown to bits. But it was a good triumph for Iowa, which is something of a Cinderella team, too. The Hawkeyes haven't taken the crown in a decade.

The situation is identical in both the Southeastern and Big Ten leagues. Kentucky must lose to Tennessee and Alabama must lick Auburn Saturday for the Southeastern to finish in a tie. In the Big Ten, Iowa must bow to Michigan and Minnesota must turn back Wisconsin for a deadlock. Both are highly improbable.

## Undeclared Girls' League Cage Champs

Above is pictured the Biglerville High School girls' basketball team which won the Adams County League title this season by sweeping through seven straight games without a defeat. A pre-league victory was won over the Alumnae to give the Canneries an 8-0 season record.

Squad members are, left to right: Jean Guise, Joyce Ebert, Judy Shetter, Joan Geiselman, Patricia Heckel, Lillian Bretzman, Barbara Rice, Janie Lee Chronister, Kay Sheats, Shirley Peters, Elaine Stoner, Patricia Guise, Patricia Wright, Vivian Geiselman, Betty Zeigler, Shelly Jean Lay and Nancy Arnold. ## BIGLER JUNIOR HI WINS FINAL FOR 11-3 MARK

Biglerville Junior High wound up a successful basketball season Monday evening by routing Washington Twp. 43-20 on the losers' court.

A big fourth period in which Biglerville netted 17 points broke the game wide open.

The Canneries were without the services of their high scorer, Dick Byers, who has contracted the mumps. Bill Payne took the top scoring honors with 15 tallies.

During the season Coach Bob Garrett's outfit turned in an enviable 11-3 record. A scheduled game with York Springs tonight has been cancelled.

Harry Hartzell's 20 points were wasted as the Biglerville reserves dropped the preliminary game 35-26.

## Yeadon Cagers In District Playoffs

PHILADELPHIA (AP)—Yeadon high school's on-again, off-again basketball team will play in the Dist. 1 PIAA playoffs after all.

Officials of the school, 1953 PIAA Class A state basketball champion, previously had decided not to play when they were upset in a game with Media that cost them a share of their league title.

The Dist. 1 committee had picked both Yeadon and Lansdowne last week when it looked as if the two teams would share the suburban Sect. 2 crown.

"Since we are no longer co-champions," said Yeadon athletic director Ed Kerschner after the Media game, Yeadon would drop out.

But officials changed their minds yesterday.

Martin Cronlund, Yeadon principal, said school officials had reconsidered their withdrawal and decided to give the team another chance at post-season honors.

Yeadon will meet Bensalem, the Lower Bucks County representative, Friday night at Lower Merion High in Ardmore.

## SAYS PHILS NEED LOTS OF HELP

CLEARWATER, Fla. (AP)—To be a pennant contender, the Philadelphia Phillies need help in the infield and outfield and the "development of one or two young pitchers."

That's what General Manager H. Roy Hamey said about his club today as opening drills started at this Florida west coast training camp. He added:

"I have tried all winter to negotiate trades, but failed because all the other clubs want Robin Roberts and Curt Simmons."

"So we'll concentrate on what we have and hope for the best."

Hamey has signed all the Phils to contracts, getting the last player—rookie catcher Joe Lonnett—to agree to terms yesterday.

Ted Lyons, former White Sox pitcher elected to the Hall of Fame, never played in the minors. He jumped right from the campus of Baylor to the Chicago team.

Hank Greenberg, Cleveland General manager, had three of his key performers—pitcher Early Wynn, second baseman Bobby Avila and outfielder Larry Doby—to contend with.

Wynn, usually one of the last to agree to terms, was reported to be asking for \$40,000 and Avila and Doby about \$30,000.

Kansas City and Washington also were having their holdout worries with their missing five contracts. The unsigned Athletics were John Gray, Floyd Boyer, Ed Burtschy, Jim Flinn and Forest Jacobs. The Senators had not received the signed contracts of Mickey Vernon, Eddie Yost, Bob Porterfield, Jim Busby and Roy Sievers.

The Chicago White Sox and the Pittsburgh Pirates have two stubborn holdouts in outfielders Minnie Miñoso and Frank Thomas.

Bill Reinhart, coach of George Washington University's basketball team, was the quarterback on Oregon's 1921 Rose Bowl team.

## SAYS RUSSIANS WIN IN HOCKEY ON CONDITIONING

DUESSELDORF, Germany (AP)—The secret of Russia's astonishing success in ice hockey "is pure and simply good conditioning," American coach Al Yourkewicz said today on the eve of the United States of Russia game.

"The Russians have been working hard for a whole year just to get ready for the world championship tournament," he said. "The players are totally indoctrinated with political advantages of winning—especially over Americans."

"They cannot state any better than the Americans, Canadians, Swedes, or Czechoslovaks."

**Not Good As Canadians**  
"They are not any better in shooting or stick handling—probably not near as good as the Canadians."

"As for speed, we are faster than they are."

"But in conditioning they have us all beat."

"They are going just as hard at the end of a game as they do at the start."

**Meet Tomorrow**  
The Americans, losers only to the Canadians in the five-day-old world championships, meet the unbeaten Russians in Krefeld's 8,000-seat Rheinland-Halle indoor ice stadium tomorrow night. The Russians rate about 5-3 favorites.

Neither is scheduled to play tonight.

## TED WILLIAMS, 34 OTHERS ON HOLDOUT LIST

By THE ASSOCIATED PRESS

Ted Williams was among the absentees as the major league baseball teams officially began their spring training routine today with 34 other players still unsigned.

Players are classified as holdouts, according to spring training tradition, if they haven't returned their signed contracts by March 1. However, only about half the recalcitrants were regarded as actual holdouts.

The status of Williams, fishing leisurely off the Florida keys, remained a question mark. General manager Joe Cronin of the Red Sox said last night in Sarasota that Williams promised "to call me in the near future and give me a definite answer" whether he'll play ball in 1955.

**Indian Woes**  
One report had Williams reiterating his retirement plans while another had him returning for another season.

The Cleveland Indians were having the biggest holdout woes with 10 members of last season's American League pennant winners still unsigned. All told, the American League had 30 holdouts as compared to only five in the National League.

The New York Giants, St. Louis Cardinals, Chicago Cubs, Cincinnati Redlegs, Philadelphia Phils and the New York Yankees had all their players signed.

Hank Greenberg, Cleveland General manager, had three of his key performers—pitcher Early Wynn, second baseman Bobby Avila and outfielder Larry Doby—to contend with.

Wynn, usually one of the last to agree to terms, was reported to be asking for \$40,000 and Avila and Doby about \$30,000.

## Citrus And Cactus Season For Baseball Gets Underway Today As Long Grind To Series Opens

## BIG BOB BAKER GETS 8TH WIN; DEFEATS LAYNE

By MURRAY ROSE

NEW YORK (AP)—Big Bob Baker has eight wins in a row and no place to go. So the Pittsburgh husky put it up to his manager today to get a second helping of Cuba's Nino Valdes.

"I don't think we'll have much chance of getting Valdes but I'll give it another try," said Dusty Bettle after his 6-2, 214½-pound fighter decisively outpointed pudgy Rex Layne of Utah in a telecast 10-rounder at Eastern Parkway Arena last night.

"Bobby Geason, Valdes' manager, wants a \$50,000 guarantee and that kind of money is out," said Bettle. "After all it was Bob who beat Valdes in their first fight and not the other way around."

**Lowry Beats Adams**

Baker, now ranked as the No. 4 contender, beat Valdes in a 10 on May 21, 1953. Since then the giant Cuban has swept 11 straight and has soared to the No. 1 ranking behind Marciano.

For a while against Layne, Baker, a 5-1 favorite, didn't even look like he merited a No. 4 position. The 206½-pound Layne gave his taller rival fits in the first five rounds by scoring repeatedly with long rights to the head. The rights enabled Layne to hold Baker even at the halfway mark.

In the other network TV fight of the night, Toledo's Pat Lowry made a successful New York debut by gaining a unanimous 10-round decision over Pete Adams, of Newark, N.J., at St. Nicholas Arena.

Outweighed 154 to 149, Lowry finished strong to gain the verdict.

## DUDLEY MOORE TO COACH DUKES 3 MORE YEARS

PITTSBURGH (AP)—Dudley Moore whose basketball teams at Duquesne University have won 144 games while losing 41 in the past seven years, has agreed to coach the court Dukes for another three years.

Moore, who at 45 has been coaching basketball in Western Pennsylvania for the past 21 years, agreed to a new contract yesterday with the comment:

"I'm glad to remain at Duquesne."

He reached agreement after talking with The Very Rev. Vernon Gallagher, Duquesne president.

**Seeded First In NIT**  
Under Moore's tutelage the Dukes, now ranked fourth in the national Associated Press poll with an 18-4 record, have participated in four post-season tournaments and will play in the National Invitation Tournament opening March 12 in New York's Madison Square Garden.

The Dukes are seeded first in the NIT.

Moore, a Pittsburgh resident, starred for Duquesne in 1932-33-34 and then went on to coach high school teams in Western Pennsylvania for 14 years before returning to his alma mater.

Recently the Dapper Dan Club, a charitable organization, named Moore as the sports personality who did the most in 1954 to publicize the city of Pittsburgh.

ST. PETERSBURG, Fla. (AP)—The citrus and cactus season—baseball's spring training—got underway today on widely scattered fronts in Florida and Arizona.

This is the day baseball officially opens the long grind that will lead to the World Series seven months hence. Thirteen clubs will go through their paces here in Florida while three more—the world champion New York Giants, Cleveland Indians and the Chicago Cubs—are in Arizona.

The clubs will have 10 days to get into shape for the exhibition season beginning March 10. This late opening of training, put through by the players themselves, has proved unpopular and it wouldn't surprise anyone if the rule were changed in the near future.

**Frick Fines Braves**

In fact, only yesterday Commissioner Ford Frick fined the Milwaukee Braves \$500 and 14 of the club's players lesser amounts for breaking the rule.

"This March 1 deadline was imposed by the players themselves," said Frick. "I think it's a bad rule. I think spring training should be governed by the clubs themselves. But as it's a baseball law my office will enforce it."

Attracting almost as much attention at the start of training are the efforts of the Indians to get their players under contract and the big question of whether Ted Williams is going to return to the Boston Red Sox.

The American League champions still have 10 players outside the fold and General Manager Hank Greenberg said: "Someone's being unreasonable, and it's not me."

All told, 35 major leaguers still have not signed contracts.

As for the races, the National League appears to be the better balanced, although virtually all clubs are depending on one or two key men who could make or break the team.

The big three in the National League are the Giants, the Brooklyn Dodgers and the Braves. St. Louis, Philadelphia and Cincinnati also could come through and, in fact, only the Pittsburgh Pirates and the Chicago Cubs seem to be out of it.

The American League race again shapes up as strictly a two-team affair between the Indians and New York Yankees, who finished one-two last year so far ahead of the rest of the loop they couldn't be seen with a spy-glass by the also-rans.

## HIGHWAY GROUP WILL CONFER ON TURNPIKE UNITS

By JOHN KOENIG JR.  
HARRISBURG (P)—Chairman George N. Wade (R-Cumberland) said the Senate Highways Committee will consult this week with the Pennsylvania Turnpike Commission on new proposals to extend the superhighway.

"We'll have an open meeting with the commission and discuss all proposed extensions," Wade said.

Foremost among the proposals are two suggested parallel routes running east-west across the northern tier of Pennsylvania counties and across a more central route.

Of the two, the more southerly, proposed to run from Sharon to Stroudsburg appeared to have a better chance of winning committee approval.

Sen. C. Arthur Blass (R-Erie), a co-sponsor of both measures, said he thinks the commission will regard the northerly route as "too expensive."

"It possibly would involve construction of tunnels," he said. "The more central route might be more feasible, particularly if U. S. 6 is widened."

**Want Route 6 Improved**  
A resolution introduced last week by a group of senators urges the state Highways Department to request that improvements to Rt. 6 be included in the new federal highways program.

The proposal calls for widening the highway, termed the most direct route between Cleveland and New York, to four lanes across all of Northern Pennsylvania.

Seventeen Republican and Democratic senators sponsored the Sharon-Stroudsburg turnpike proposal.

A part of that route already is provided for in legislation now on the books. While the northeastern extension—from Plymouth Meeting, near Norristown, to near Scranton—was authorized, the Turnpike Commission was given the go-

## Hanover To Get Shopping Center

Hanover will have a shopping center by fall and a new supermarket is scheduled to be built by the American Stores Company.

The shopping center will be developed by Arthur S. Kuhn, 240 Stook Street, in the 1000-block Carlisle Street. The A. and P. now located at 312 Carlisle Street, will occupy the first section of the shopping center, construction of which will start in about three weeks.

A \$100,000 contract for erection of the supermarket has been signed by the American Stores Company and Charles R. Scriven Company Inc., Baltimore. It will be located at Frederick Street and Forney Avenue and will replace the American Stores Company store at Carlisle Street and Park Avenue.

Clearview Shopping Center will cover about 400,000 square feet when completed. The first section should be finished by Sept. 1, Kuhn said. Estimated cost of this section is \$200,000. Additions of drug store, restaurant and department stores are planned, built according to the tenant's specifications. Plans were drawn by F. J. Tarlow, architect, and L. P. Kookan Company, New Oxford.

The Sharon extension conceivably could pick up where this proposed route would leave off in the Susquehanna River area north of Harrisburg.

A turnpike extension through the northern tier counties was voted by former Gov. John S. Pine in 1953 on grounds that it would connect two non-existent points.

## HARRY SHAPIRO IS ACCUSED OF "SMEAR" ACTS

HARRISBURG (P)—A committee chairman Monday urged his group to approve and send to the Senate for a vote a proposed impartial investigation of the Laurenton State Village for mentally deficient women.

Before the Senate Public Health and Welfare Committee met to decide on the proposal of two Republican senators, Chairman Albert R. Pechan (R-Armstrong) said:

"I am going to try to get my committee to approve a resolution calling for an investigation of the Laurenton controversy."

The Union County village, under the jurisdiction of the state Welfare Department, has been the center of a controversy for several weeks since Welfare Secretary Harry Shapiro said he found evidence of "inhuman treatment" there.

**Accused Of "Smearing"**

Last Tuesday Sens. Samuel B. Wolfe (R-Union) and Robert D. Fleming (R-Allegheny) asked the Senate to authorize the investigation, to be conducted by the committee itself, "in the interest of fair play."

The two senators accused Shapiro of smearing the professional reputations of Laurenton's staff and trustees.

Laurenton's superintendent, Dr. Effie Ireland, and her assistant, Dr. Catherine Edgett, have both resigned in protest of Shapiro's methods.

"Before taking office Shapiro said he was going to keep politics out of the Welfare Department," Pechan declared.

"Since being confirmed he has been playing politics. When he can't get institutional officials to resign he fires the trustees."

**Leader Backs Shapiro**  
Shapiro turned to Laurenton in a continuing study of all Pennsylvania's welfare institutions after obtaining the firing of the superintendent of Allentown State Hospital and securing the ouster of four GOP trustees of Fairview State Hospital, Wayne County. Shapiro's actions have been backed 100 per

cent by Gov. George M. Leader.

Leader told his last news conference Thursday that "any fair legislative investigation (at Laurenton) is highly acceptable and I'll be glad to see it come about."

Shapiro has stated he has "no objections whatsoever" to a Senate committee investigation but at the same time said "any investigation undertaken by anybody now is academic in my view." He explained that in his opinion "the facts and conditions at Laurenton are not something that have to be established or clarified by further research."

**"Ill Advised Action"**  
Meanwhile, Sen. Rowland B. Mahany, GOP Senate leader, accused Shapiro of conducting a smear campaign.

"We would not have been subjected to the present disquieting spectacle of a responsible public official trying to justify hasty and ill advised actions if Secretary Shapiro had taken the time to learn a little more about the functions of Laurenton before he began his smear campaign," Mahany said.

"Whether the secretary thinks it is silly or not the public is entitled to know the full story back of this whole sordid business."

**WASHINGTON (P)—**A lack of coordination amounting to "chaos" plagues the federal government's vast medical services, the Hoover Commission has told Congress.

"Huge wastes" on money, man, power, and duplication of effort are unnecessarily over-tapping the taxpayers' pocketbooks, said the Commission on Organization of the Executive Branch of the Government. It is headed by former President Hoover.

**CAMDEN, N. J. (P)—**Former U. S. Sen. David Baird, 74, a Republican, died Monday in Cooper Hospital following a relapse after an operation Feb. 17.

He was president of the Smith-Austermuhl Co. of Camden and the head of a lumber concern which bears his name.

## King Of Jordan To Wed Teacher-Cousin

AMMAN, Jordan (P)—Jordan society buzzed happily Monday over the engagement of popular young King Hussein to his pretty school-teacher cousin Dina. The match has been in the making for nearly two years.

The royal cabinet broadcast the announcement Sunday night four hours after 19-year-old Hussein returned from Cairo. Black-eyed prince Dina Abdul Hamid, 25, the monarch's third cousin, teaches at the City University there.

Palace sources indicated the royal wedding would take place shortly after Hussein's visit to Pakistan next month.

## NATIONALISTS SHIFT CABINET

TAIPEI, Formosa (P)—Nationalist China, waiting to see where the Reds will strike next in the offshore island war, may soon return to a full wartime basis.

A Cabinet reshuffle to achieve that end is expected to be decided tomorrow at a meeting of the Central Committee of the Kuomintang, President Chiang Kai-shek's ruling party.

Chiang's Cabinet met Monday to discuss the troubled financial situation. Means to stimulate exports and possible revision of foreign exchange regulations were discussed.

The value of Formosa's currency in terms of the U. S. dollar has slumped since the abandonment of the Tachen Islands, 200 miles north of here. Before the withdrawal the rate was 20 Formosa dollars to \$1. Today it is about 32 to 1.

It is outwardly tranquil in Formosa, but there is no doubt that the abandonment of the Tachens and subsequently of Nanchang has had a damaging effect on morale.

## KE'S FARM IS CLOSED TO ALL "SIGHTSEERS"

By MARVIN L. ARROWSMITH  
WASHINGTON (P)—For as long as President Eisenhower remains in office, tight security restrictions will be in effect at his new farm home on the Civil War battlefield at Gettysburg, Pa.

The place probably will be ready for occupancy by Easter or sooner, and already the house is getting some of the protection that goes with the presidency.

Uniformed guards from the Treasury Department—the agency whose Secret Service is charged with guarding the president—have been assigned to a round-the-clock watch to keep out any trespassers, as well as battlefield sightseers.

Tourists can get a look at the President's 180-acre farm from a scenic tower a few hundred feet away.

Any of them with a good pair of binoculars might have been able to see the chief executive wandering around the grounds Friday. He and Mrs. Eisenhower spent five hours here en route to their lodge in Maryland's Catoctin Mountains for a weekend of rest. They returned to the White House late yesterday.

A half-mile-long lane leads to the house from a public highway, but a sign swinging from a heavy chain blocking the lane declares the farm private property closed to sightseers.

**To Close Another View**  
Another public highway about a mile off in another direction al-

fords passers-by a good long-range view of the home, but that view may be closed off soon under landscaping plans for tree planting.

A photoelectric alert system will help tip off the Secret Service to any unauthorized movement about the property.

One enterprising light lunch merchant who has a place on the highway reportedly has been offering customers binoculars to take a look at the Eisenhower home while they munch sandwiches.

Eggs of the tilapia, a warm water fish, are incubated inside the mouth of one of the parents.

Fast growing favorite with those who know **STYLE**

The switch is on to Chrysler, and new style is the reason! Sleek "tailored steel" . . . exemplified by the 1955 Chrysler . . . is definitely changing America's mind about motorcar fashion. With Chrysler it's a long, low look of forward motion that includes the new *sweepback* Super-Scenic Windshield. "Wrapping around" both top and bottom, it provides safer vision than any windshield with straight up-and-down posts. All Chryslers now have V-8 engines . . . up to 250 hp. Full-time Power Steering, and PowerFlite . . . most automatic of all no-clutch drives . . . give you performance you'd expect of cars that are proving to be today's leaders. ## Senate Delays Revision Of State Unemployment Fund As Compromise Try Fails

HARRISBURG (AP)—A new effort to solve Pennsylvania's unemployment compensation fund troubles is on the agenda for the General Assembly this week.

Facing a March 31 deadline, it is up to the Republican-controlled Senate to act on a proposed solution approved by the Democratic-controlled House.

At the same time one house or the other was ready for final action on a host of important measures ranging from annual sessions of the General Assembly to refunding more gasoline tax money to farmers. The Senate was to get down to work at 3 p.m., an hour earlier than on previous Mondays, and the house at 4:30.

Sen. Rowland B. Mahany, GOP Senate leader said he will spend some time this week on a continued study of the administration unemployment compensation bill which has been stated in the senate labor and industry committee since passing the house 19 days ago. An earlier attempt to work out a compromise between Senate Republicans and Democrats failed.

**Blames Republicans**  
"The Republican senators have now delayed the program to the point that we're in the process of notifying employers of a prospective increase in their contributions to the fund," said John Torquato, Labor and Industry Secretary.

Without legislative action maximum weekly benefits are due to drop from \$30 to \$20 and the average employers contribution will jump from 1.2 per cent of the payroll to 2.7 per cent on March 31. The house bill will increase maximum benefits to \$35 and increase the average payroll tax to 1.65 per cent by eliminating the peril point.

Mahany said it is highly doubtful that the committee will act on the bill this week. He suggested that the Senate approve a substitute

measure he co-sponsored which would maintain the \$30 maximum but would not boost sharply the payroll taxes.

**"Take Care Of Present"**  
"This bill would at least take care of us for the present," Mahany said. "Then we could work out a fair bill for everyone later."

Other GOP senators indicated they would go along with the administration's \$35 a week request but are opposed to other parts of the bill. One provision particularly objected to would give all eligible workers 30 weeks of compensation during a calendar year. At present the maximum is 26 weeks.

It is possible the GOP will try to pare the administration's payroll tax schedules.

Mahany predicted GOP opposition would be almost solid unless a compromise is reached.

**"Hits Where It Hurts"**  
"This hits people where it hurts—in the pocketbook. I have had a flock of letters from persons who ask me not to let them do this to them."

The proposed constitutional amendment to provide for yearly sessions of the Legislature instead of every other year, supported and passed in 1953 by both parties, is ready for a last House vote.

If it receives Senate approval the proposal would be placed before the voters in the November election. It could become effective next year.

**Gasoline Tax Return**  
A Republican amended bill to return to farmers two cents a gallon instead of one on gasoline taxes is up for debate in the Senate. One of the so-called temporary tax measures submitted weeks ago by Gov. George M. Leader, was passed by the House in its present form which allows a refund of one cent a gallon.

The House must act on two

reorganization measures. The main bill giving the governor overall powers and passed by the Senate last week with GOP amendments to the House bill, is expected to go to a joint conference committee. A second bill authorizing a 12-man governmental-civilian advisory commission to prepare specific reorganization plans is ready for a vote.

Over the weekend one of Leader's top advisers indicated one of the administration's reorganization plans may be to remove the Bureau of Corrections from the state Justice Department.

**"Doesn't Belong"**  
"So far as my views are concerned it (the bureau) doesn't belong there and its plenty big enough to be a separate department," said Dr. James C. Charlesworth, administration secretary. At the same time Atty. Gen. Herbert B. Cohen, commenting on a report that another reorganization plan would be to place the state police under the Justice Department, said:

"If such a bill is being drafted it is not being done with my knowledge or consent."  
Sen. Benjamin R. Donolow (R-Phila.) said over the weekend in bringing about a legislative investigation Philadelphia that he would confer with Cohen as the first step in bringing about a legislative investigation designed to make public all leases negotiated by the state during the last four years.

## MISSILE-FIRING CRUISERS TO BE READY IN JULY

By ELTON C. FAY

WASHINGTON (AP)—The Navy expects to have the first of two guided-missile-firing cruisers ready for anti-aircraft duty with the fleet next July, the second late this year.

Completion of the project to convert the heavy cruisers Boston and Canberra presumably will make the American fleet the first of any world power to possess operationally useful guided missile ships.

Britain announced last week it intends to begin building a fleet of such warships but it may be some time before they are ready for use.

In 1946, the U. S. Navy announced that the uncompleted hulls of the 45,000-ton battleship Kentucky and the 27,000-ton battle cruiser Hawaii would be built into guided missile ships. Conversion work was started, then halted within a year. One reason, actually the primary cause, was that the Navy discovered the development of practical guided missiles was too far in the future to allow design of ships for their use. It was not until 1952 that the Navy again took up the project actively, sending the Boston and Canberra to the New York Shipbuilding Corp. yards at Camden, N. J., for extensive remodeling into robot weapon ships.

## Here's my No. 1 reason for financing my car through the bank

"Low borrowing cost? Of course I like that. And the convenient way my repayments are stretched out. But most important is the bank credit I'm building up for future use. That's the real payoff, in my book."

Good reasoning? If you think so too, buy your next car with the help of a low-cost auto loan from us!
